

Universal Scope & Instrument Protection System

from RICA Surgical Products

SteriBest® Universal Scope & Instrument Protection System has been designed to hold a wide variety of scopes and surgical instruments in virtually all trays and baskets used for sterilization and transport utilizing the Universal Wing Adapter Assembly.*

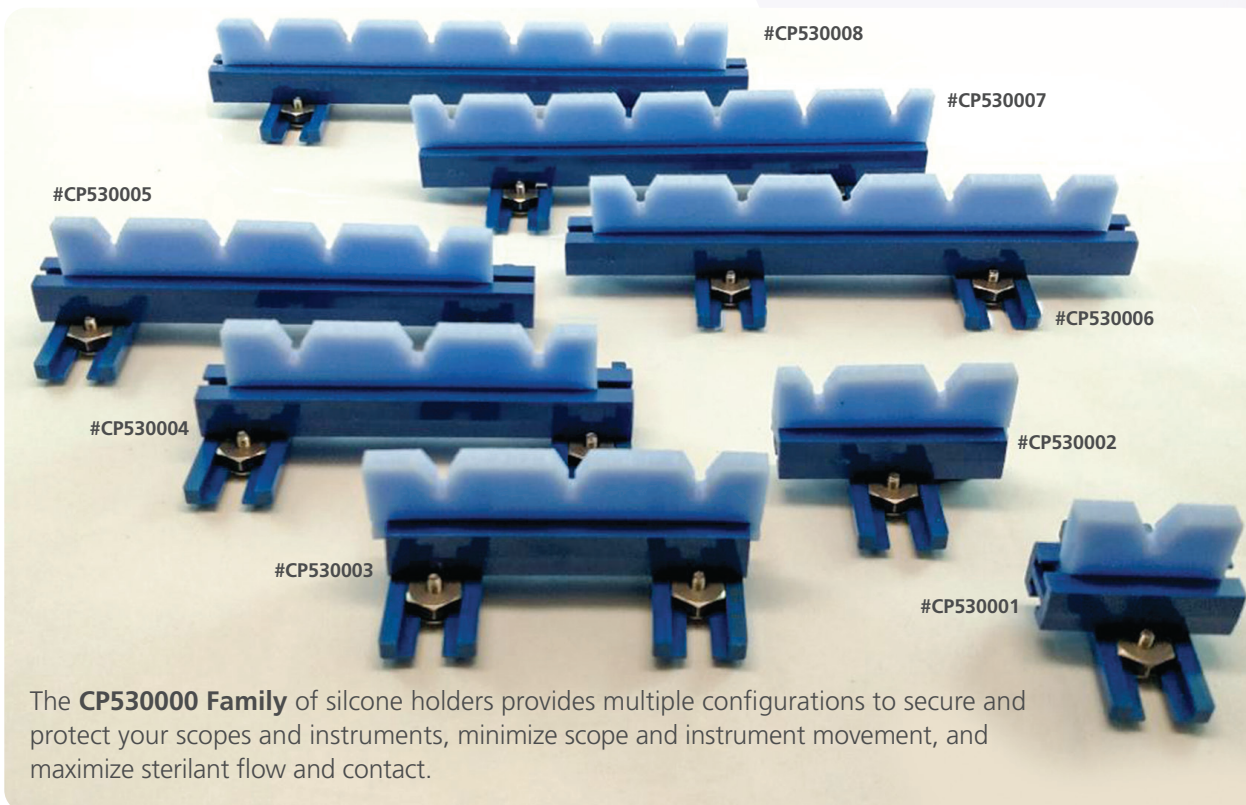

Item CP539060 Universal Wing Adapter Assembly*

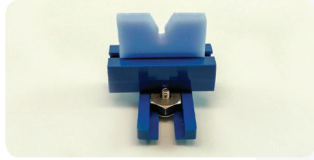

The Universal Wing Adapter Assembly includes one Universal Wing Adapter, one spring, two nuts, two 5.9 mm screws, and two 7.8 mm screws (for use in thicker aluminum and plastic sterilization trays). This item has a limited lifetime and will need to be replaced occasionally due to wear and tear.

*Universal Wing Adapter Assembly is Patent Pending

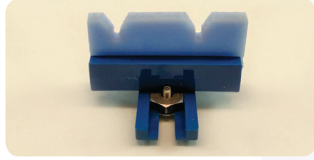

Item CP530000 Family of Silicone Holders

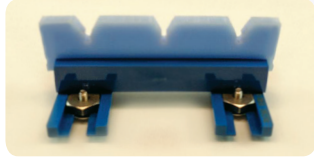

The **CP530000 Family** of silicone holders provides multiple configurations to secure and protect your scopes and instruments, minimize scope and instrument movement, and maximize sterilant flow and contact.

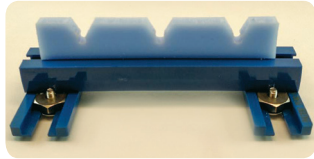

Item CP530001 1.5", One 3mm Opening, Silicone Instrument Bar with Radel Bar and Universal Wing Adapter Assembly

Item CP530002 2", Two 3mm Openings, Silicone Instrument Bar with Radel Bar and Universal Wing Adapter Assembly

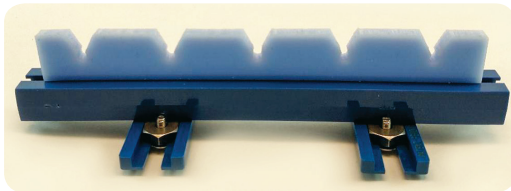

Item CP530003 3", Three 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

Item CP530004 4", Three 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

Item CP530005 5", Four 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

Item CP530006 6", Five 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

Item CP530007 6", Six 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

Item CP530008 7", Six 3mm Openings, Silicone Instrument Bar with Radel Bar and 2 Universal Wing Adapter Assemblies

*Universal Wing Adapter Assembly is Patent Pending.

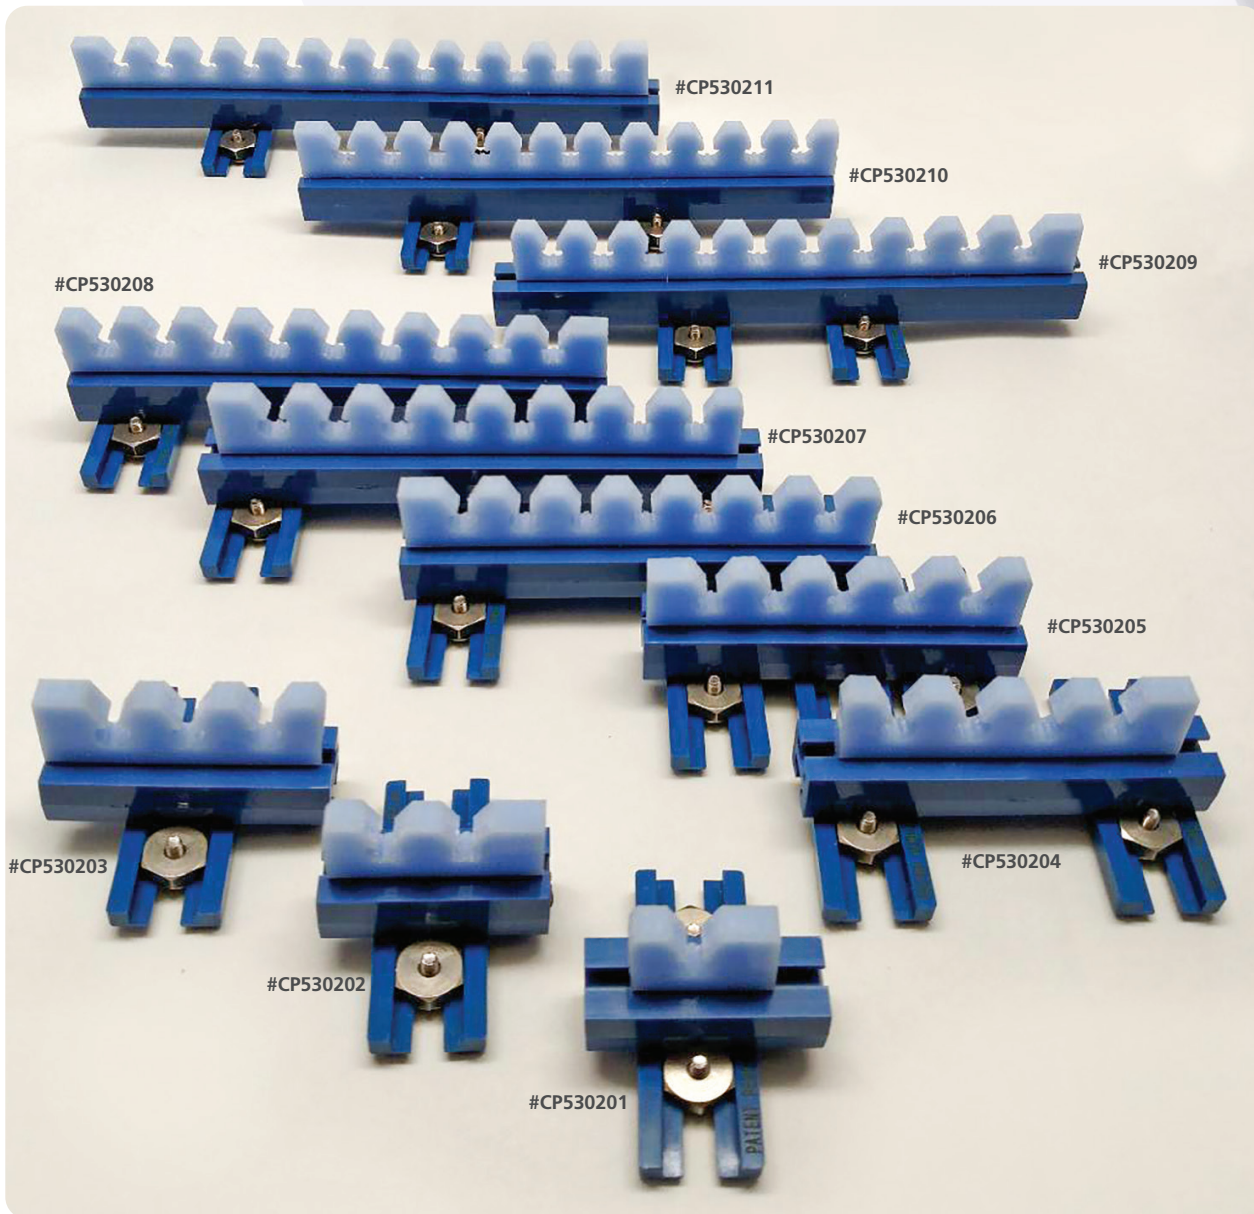

Universal Scope & Instrument Protection System

from RICA Surgical Products

SteriBest® Universal Scope & Instrument Protection System has been designed to hold a wide variety of scopes and surgical instruments in virtually all trays and baskets used for sterilization and transport utilizing the Universal Wing Adapter Assembly.*

Item CP530200 Family of Silicone Holders

The **CP530200 Family** of silicone holders provides multiple configurations to secure and protect your scopes and instruments, minimize scope and instrument movement, and maximize sterilant flow and contact.

*Universal Wing Adapter Assembly is Patent Pending.
